

Solidarity and Smart into the Future

You don't need to watch the news to see that something is going terribly wrong...

Rising rents, a visible shift to the right, wars becoming ever-present, and the rich are filling their pockets.

Housing & Social Issues

- Creating affordable housing
- Expanding accessibility
- Participation opportunities for seniors and promoting communal living
- Targeted offers for discriminated groups
- Securing social benefits and educational opportunities
- Housing options for homeless people
- Promoting social work and politically involving youth

Mobility & Internet

- Free, expanded, and reliable public transport
- Pedestrian- and bicycle-friendly city centers
- Reduction of cars in the city
- Comprehensive, stable, and fast internet for all

Enough!

We, DIE LINKE in the Gütersloh district, want to put a stop to this development.

So that the needs of all are once again at the center, to create a solidary and diverse district.

Climate Protection

- Removing sealed surfaces and greening cities to improve urban climate
- Supporting regional agriculture
- Reforesting mixed forests
- Climate-neutral district by 2030, through promotion of climate-friendly energies
- Expansion of animal protection

Integration

- Humane accommodations with integration offers
- Work permit from day one
- Abolition of the payment card

Education

- Free and equal opportunity school system for all
- Free school lunches
- Advancing political and digital education in schools
- Continuing “Education and Participation”
- Expansion of educational offers for all age groups

Health

- Hospitals in public ownership
- Expansion of care services
- Promotion of medical care throughout the district
- Referendum on the Nursing Chamber NRW
- Free first aid courses, as well as menstrual and contraceptive products

Peace

- Ending police violence
- No military use of the district
- Ban on Bundeswehr access to educational institutions

Sports and Culture

- Supporting sports clubs and cultural institutions to enable participation for all
- Paying children’s membership fees in clubs for at least one year
- Early swimming promotion
- Preservation and expansion of sports facilities and cultural institutions (e.g., Weberei)
- Providing funding for artists
